

# KIBO Concert

## KIBO's Sound Blocks and Motorized Art Stage

KIBO 18+

### WHAT'S THIS?

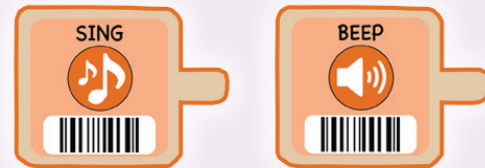

KIBO can beep and sing. Let's create a KIBO singer and give a performance with sound, light, and dancing!

### 9

### GET READY!

KIBO's orange BEEP and SING blocks cause KIBO to make sounds.

KIBO's motorized art platform spins whenever KIBO moves.

## Build:

Attach KIBO's wheels and motors.  
Attach KIBO's light bulb.

## Make:

Create a singer on KIBO's round art platform.

Attach the art platform to KIBO's center socket using a motor:

1 2  
3 4

## Code:

Create a song and dance routine!

## Play:

Lights, music, and dancing! Can you create a new routine?

How are the sounds made by BEEP and SING different?

Do you have the Sound Record/Playback Module?  
Record yourself singing!
